Students rode the train, many for the 1st time.

Students learned the Chinese art of paper cutting.

Our tour guide taught us about Chinese architecture.

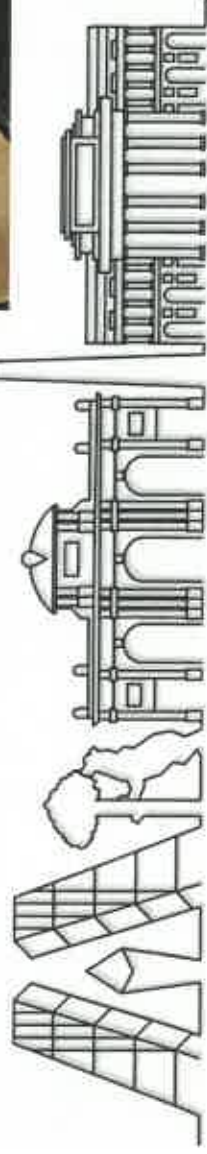

# Penny Wars - Razom for Ukraine

Students decided to take action to help the people of Ukraine since they are being invaded by Russia.

As a result of these students' initiative, over **\$1,100** was sent to Ukraine to help people affected by the war.

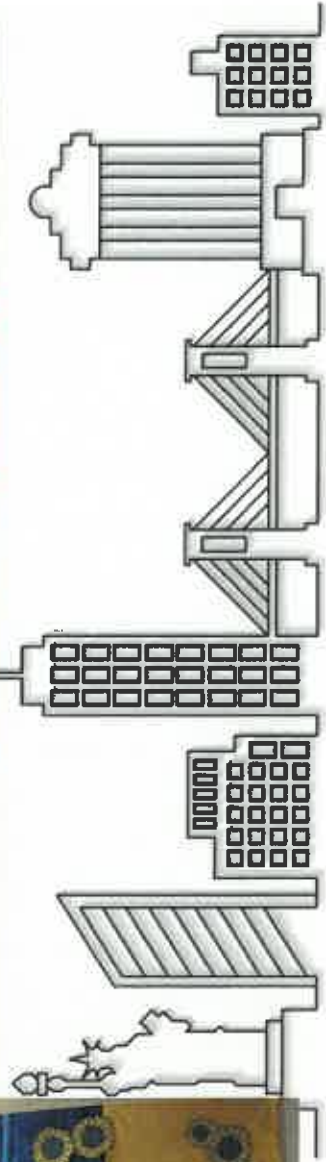

# Sharing out

Students created bulletin boards to share the information they were learning about in International Club.

## Boards included:

- Facts about Ireland (St. Patrick's Day)
- Easter around the world
- Chicago's Chinatown
